MUNICIPAL BY-LAWS.

CORPORATION OF DELTA.

A By-law to provide for Repairs for the Works constructed under the "Delta Dyke and Drain By-law, 1895," and to borrow the Sum of Twelve Thousand Dollars (\$12,000) to carry out such Work, Provisionally adopted this 13th Day of September, 1919.

WHEREAS the Municipal Council of the Corporation of Delta on the 5th day of October, 1895, duly passed the "Delta Dyke and Drain By-law, 1895," to provide for the dyking and draining of a portion of the municipality and to borrow the sum of sixty-one thousand three hundred and twenty dollars and fifty-one cents (\$61,320.51) for completing the same; and

Whereas by section 124 of the "Municipal Act" it is the duty of the municipality making such works to preserve, maintain, and keep in repair the same at the expense of the lands and roads benefited; and

Whereas it is provided by section 127 of the "Municipal Act" that when repairs are required to be made are so expensive that the Municipal Council does not deem it expedient to levy the cost thereof in one year the Council may pass a by-law to borrow upon debentures of the municipality the funds necessary for the work and to assess and levy upon the property benefited a special tax sufficient for the payment of the principal and interest of the debentures,—

The Municipal Council of the Corporation of Delta therefore enacts as follows:—

1. That the sum of twelve thousand dollars (\$12,000) be borrowed on the credit of the Corporation of Delta, being the funds necessary for the preservation, maintenance, and repairs of the works constructed under the "Delta Dyke and Drain By-law, 1895," and that debentures of the Corporation to the amount of twelve thousand dollars (\$12,000) be issued in sums of not less than one thousand dollars (\$1,000) each and payable in three years from the date thereof with interest at the rate of six and one-half per cent. (6½%) per annum, such debentures, both as to principal and interest, to be payable at the Royal Bank of Canada, in Ladner, in the Province of British Columbia, and to have attached to the coupons for the payment of interest.

2. That for the purpose of paying the said sum of twelve thousand dollars (\$12,000), being the amount charged against the said lands so to be benefited as aforesaid and to cover interest for the three years at the rate of six and one-half per cent. (6½%) per annum, the following rate over and above all other rates shall be assessed and levied, in the same manner and at the same time as taxes are levied, upon the undermentioned sections and parts of sections, and the amount of the said special rate and interest, assessed as aforesaid against each section or part of section respectively, shall be divided into three equal parts and one such part shall be assessed and levied as aforesaid in each year for the three years after the final passing of this by-law during which the said debentures have run.
